

a little farm on the hill

the vegetarian farmer

caramelised garlic and goat cheese tart

buttery savoury short crust pastry case

*filled with custard made with organic eggs from our neighbour George
dotted with soft sweet caramelised whole garlic cloves
farm fresh herbs and 'Milky Whey' goat's cheese*

farm-made flat bread

inspired by the flat breads of the middle east

how amazing are those few simple ingredients - flour water oil and yeast

creamy chickpea hummus dip

smooth and creamy hummus topped with

*a sprinkle of zaatar and paprika and a drizzle of olive oil
perfect for dipping our flat bread*

aubergine baba ganoush dip

*creamy smokey farm grown aubergine dip topped with
chopped fresh parsley and a drizzle of olive oil
perfect for dipping our flat bread*

green bean pea and kaduk salad

a refreshing crisp and crunchy salad

with daun kaduk mustard seed chilli and lemon zest

12 leaf and herb salad

*our signature salad of 12 different leaves and herbs from the farm
with thinly sliced radish and tangy dressing*

battered tricolour rice and kerukub caramelised onions and cumin

inspired by persian rice dishes with their crispy tahdig

*a combination of basmati, heirloom red and black rice and kerukub
from Sarawak with caramelised onions and cumin*

lemon coconut and mulberry cake

*a deliciously moist lemon and fresh coconut cake
with a layer of farm mulberries in the centre*

*not all dishes included in pictures
