You may take either of the following routes:

EXIT A

Exit the Karak Highway immediately after Genting Sempah Tunnel at Exit 803. This takes you across the highway past the Petronas petrol station onto the old Bentong Road. Follow the road until you come to a large arch with 'Janda Baik' across the top. Turn right there and drive for 1km then turn right into Tanarimba Janda Baik. Sign in at the guardhouse. Follow the road uphill for 2.5km then turn right into Persiaran Enderong. Proceed until you come to the sign 'Kebun Organic' and a small waterfall and gate.

EXIT B

Exit the Karak Highway at the turn off signposted Janda Baik / Kg Bukit Tinggi. Turn right and go through the highway underpass. Turn right again past shophouses into Kg Bukit Tinggi. Bear left uphill past fruit stalls and a police station until you come to a T-Junction at the top of the hill. You will see 'Kg Janda Baik' in huge white letters. Make a right then immediately sharp left through the arch with 'Janda Baik' across the top. Drive for 1km then turn right into Tanarimba Janda Baik. Sign in at the guardhouse. Follow the road uphill for 2.5km then turn right into Persiaran Enderong. Proceed until you come to the sign 'Kebun Organic' and a small waterfall and gate.
